Our mission is to promote constructive conflict resolution and to strengthen community ties with an emphasis on mediation and mediation training.

Cleveland Mediation Center (CMC) was formed in 1981 and is the oldest community mediation center in Ohio. CMC is an independent not for profit organization governed by a community board and uses volunteer mediators as its primary source.

Please call or email us if you would like to discuss how mediation may help with a dispute or to inquire about mediation training and becoming a volunteer mediator.
