

## **Using the School Conflict Management Resource Guide For Grades 7-12**

### **To Help Prepare Students for the Ohio Graduation Tests (OGT)**

The lessons in the *School Conflict Management Resource Guide Grades 7-12* have been aligned to the Benchmarks of the Ohio Graduation Tests (OGT).

- Language Arts Benchmarks are Grades 8-10
- Math Benchmarks are Grades 8-10
- The Science and Social Studies Benchmarks are all Grades 9-10 unless noted.

Please note that educators trained in the skills of conflict management may be able to link additional lessons to the benchmarks. This alignment provides a starting point for educators to see the connections between conflict management and the benchmarks for the Ohio Graduation Tests.

The Commission's resource guides are accessible only to Ohio public schools that have:

- Received a school conflict management grant from the Ohio Department of Education and the Ohio Commission on Dispute Resolution and Conflict Management;
- Attended one of the Commission's two day professional development trainings on Creating a Comprehensive School Conflict Management Program; or
- University faculty that have attended one of the Commission's Annual Higher Education Institute's for Education Department Faculty.
